Diefenbach Heads State Association

Officers and directors of the Wisconsin Angus Association include, left to right, seated, Justin Diefenbach, Mineral Point, president; Cody Quam, Lodi, vice president; Ardel Quam, Lodi, secretary; Mary Kohl, Waterloo, Auxiliary president. Back row, left to right, Dusty Henningfeld, Wauwatosa; Jenny Kilpatrick, Tomah; Jeff Berget, Gratiot; Andy Mindemann, Oconomowoc; Glen Davis, Darlington; Dennis Schlimgen, Blue Mounds; Paul Nuttelman, Rio; and Mel Niemann, Edgar. Not pictured, Brian Nodolf, Livingston and Sue Finley, Lancaster.

The annual meeting of the Wisconsin Angus Association Cooperative was held March 8, 2014 at the Cranberry Lodge, Tomah. A crowd of 120 Angus enthusiasts was on hand to talk and share Angus and cattle news.

President, Andy Mindemann called the meeting to order. Sale chairmen, Cody Quam and Justin Diefenbach brought everyone up to speed on the association sponsored sale to be held April 12. The sale will be Saturday evening during the Spring Thaw weekend in Black River Falls. The previous week Quam and Diefenbach accompanied Tom Burke of the Angus Hall of Fame on a sale tour. They put on 1,050 miles in two days looking at cattle for the sale. Any show age females going through the sale are eligible for the show on Sunday.

Jenny Kilpatrick discussed the WAA website and pointed out some of the changes made the last year. She reminded everyone of the classified section that is available to members. Please contact her with any questions you may have.

Leslie Mindemann reported on the newsletter and the options members have. State sale

consignors would receive a discount on their ad in the spring issue. The board is looking at offering the newsletter in electronic format for those interested.

Election of directors was held. Justin Diefenbach, Mineral Point and Mel Niemann, Edgar each had served one three year term and were eligible for re-election. Becky Henderson, East Troy, has served one three year term but elected not to run for re-election.

Continued On Page Three

Allison Hawthorne, Westby, was elected president of the Wisconsin Junior Angus Association. She was named Miss Wisconsin Angus and Junior Member Of The Year.

*Our Condolences To The
Cummings Family, Endeavor
On The Death Of
Jennifer (Cummings) DeGroot*

Jenny was active in the Junior Angus Association and served as an Angus Angel. She is survived by her husband, Jay DeGroot, daughter Madison; parents, John R. and Jeanne Cummings and brothers, Jeff, Jerry and Jack.

Views From Your President

Greetings,

After this past winter the mud we all are seeing is a welcome sign that spring is on the way.

I would like to introduce myself as your new Wisconsin Angus Association president. I met many of you at our annual meeting a few weeks ago in Tomah. For those of you that I haven't met, feel free to give me a call and share your ideas on how we can improve our great association.

Also this spring, keep a look out for the Production Sales in our state. Wisconsin Angus Breeders have some of the best genetics in the business, genetics that can help move your program forward.

Please mark on your calendars the 12th of April, our state sale date. It is once again in Black River Falls at the Jackson County Fairgrounds at 6 pm. We will be selling bulls, open heifer calves, breds, pairs and a few se-

lect pregnancy and embryo lots. Keep in mind that heifer calves purchased in the sale are eligible to show the following day in the Show. Any questions please call Cody Quam or Justin Diefenbach.

Plan now to be apart of the Southwest Angus Show, Wisconsin Angus State Junior and Open Shows and Wisconsin Livestock Breeder Spring Preview Show. They will be held in late May and June. More information on these shows can be found in the newsletter or check the website at wisconsinangus.org. We will be updating the website as more information becomes available.

If at any time you have a question or problem, please don't hesitate to call. I will help in any way I can. Please stay safe as we head to the fields over the next few months, and I hope to see you all at the production sales, state sale and shows coming up.

God Bless,

Justin Diefenbach, President

Meet Your New Board Members

Jeff Berget, Darlington

"I am honored to serve the Wisconsin Angus breeders of the state of Wisconsin as a new board member," states Jeff Berget, 47 year old Darlington, WI, resident.

Berget Family show cattle are on the farm

Glen Davis, Darlington, WI

"I have been around cattle my entire life," reveals Glen Davis, Darlington, WI, a new member to the Wisconsin Angus Association Board of Directors. "I am very appreciative of the friendships and opportunities the Angus industry has provided me and am looking forward to serving on the state Angus board".

Born in the Cuba City area, Glen moved to the Darlington area 40 years ago. Today, he and his wife, Sara, and three children, Taylor, Brooke and Trevin, make Darlington their home. Glen is manager at Riley Bros. Angus.

A student of pedigrees and cow families, Glenn stresses developing cow families, seeking low birth weights and high growth in cattle. To Glen, it is more than numbers, it is a complete package, when selecting cattle.

As a board member, Glen's goals include seeing Wisconsin Angus herds receive more attention nationally.

"We need to be viewed as a beef state as well as a dairy state. There are very good beef producers in this state".

"I am excited about the state sale, April 12, in Black River Falls", states Glen. "Outstanding genetics are being offered".

"I want to thank everyone for giving me this opportunity and I want to help however possible. I am especially interested in helping the youth involved with the industry," concludes Glen, looking to a positive future.

located on the west edge of Wiota, WI. The family have raised Angus cattle since 1962.

Jeff grew up on a 250 head cow calf, hog and cash grain farm. They raised Angus seedstock and club calves and sold to buyers in the mid-west and south. He showed Angus heifers and crossbred steers in 4-H and FFA, and was very active in the WJAA.

After high school he graduated from Black Hawk East in Kewanee, Ill. with a degree in animal science, with an emphasis on beef production and crop science. While at BHE he was active on the Livestock Judging Team.

After college Jeff came back to Wiota to farm and raise cattle until 1994 when he discontinued farming full time, and took an off the farm job. He is currently employed at the LaFayette County Highway Department as a foreman.

The Berget children, Emma and Tyler, were involved in 4-H and the herd was rebuilt with Angus heifer purchases for them to show. And in the last of their show years we exhibited heifers that we raised, while selling a few heifers and bulls to other breeders.

The Berget herd now consists of 24 registered Angus cows. They are working on producing seedstock with excellent phenotype and performance.

As a member of the board Jeff would like to help continue the growth of the membership in the association and work to include commercial and cow calf Angus breeders in the state association.

"If I can be of any help to fellow breeders, please feel free to contact me and talk cattle. Thank You again for the chance to serve the cattle producers of this state," Jeff concludes.

Breeders Recognized During Annual Meeting

Continued From Page One

Dale Heagle, Seymour retired from the board as he had served two, three year terms. Glen Davis, Darlington; Jeff Berget, Gratiot; Mel Niemann, Edgar; Justin Diefenbach, Mineral Point were nominated for the board positions. They will each serve a three year term.

The 2013 Recognition Program Awards were presented. Winners include:

2013 Show Bull of the Year: CARD Lute 64352, Mindemann Frms, Sullivan, WI

2013 Show Heifer of the Year: Gambles JAS Jestress 5012, Calli Bayer, Ringle, WI

2013 Cow/ Calf of the Year: MC Lassy Precision 507, Crystal Schuster, Marshall, WI.

2013 Breeder of the Year: Lone Willow Acres, Fennimore, WI.

2013 Exhibitor of the Year: S & R Angus, Weston, WI.

A 'Thank You' to Kim Diefenbach and Kim Hawthorn for taking pictures during the annual meetings!

Awards presented to the top Wisconsin bred bull at each of the state's two bull tests. Mel Niemann presented plaques to: GT Angus, Verona, for the top performing bull at the Wisconsin Beef Improvement test in Platteville. At the St Croix Valley Bulls Test, top performing bull was from Phil Ketterhagen, Burlington, WI.

Auxiliary President, Mary Kohl, and Auxiliary scholarship chairman, Leslie Mindemann, announced the scholarship winners and 2014 Ambassadors. Mikayla Kind, Jefferson, is the 2014 winner Auxiliary Scholarship winner. Allison Hawthorne, Westby, is the 2014 Miss Wisconsin Angus.

Dr. Gary Onan, UW River Falls, was the guest speaker during the meeting. He talked about the St. Croix Valley Bull Test. He informed those present about the bull test history and future direction for it. He talked about the requirements for the test. Discussion about how they were fed and the calculations of the test were covered.

The membership directory prime pages were auctioned off. A new record was set for the back page by Mindemann Farms, Sullivan. Thanks to Gregg May, our auctioneer and Justin Diefenbach ring man for their work. The prime pages being auctioned were purchased for 2014 and 2015 directory. Plans are to get the directory printed earlier in the calendar year.

The evening concluded with a fabulous meal. During the meal outgoing president Andy Mindemann was presented with a past president plaque. Dale Heagle, retiring board member, was presented with a jacket from the association. After the meal, semen donated by AI studs and some breeders in the state, was auctioned off. At the conclusion of the meal the silent auction was closed. More on the auctions can be found on page 4.

Retiring Board Member Dale Heagle Honored

Dale Heagle, Seymour, WI, was honored during the annual meeting for his six years of service to the Association, serving on the Board of Directors.

During his terms, he was responsible for managing the Semen Raffle and Auction.

Each year he was a big part of the success of the Angus Booth during Farm Technology Days. He supported many other board activities.

Dale was presented with a jacket from the association.

Crystal Schuster, Marshall, WI (left) was recognized as the exhibitor of the Cow/Calf Pair Of the Year, The winning entry is MC Lassy Precision 507 and her February 2013 heifer calf by TC Total 410. Andy Mindemann, Sullivan, WI, make the presentation.

Mindemann Farms, Sullivan, WI, received the Show Bull of the Year Award for their herdsire, CARD Lute 64532. Pictured are Rick, Leah, Alexis Trimmel, Andy and Leslie.

2013 Exhibitor of the Year Award went to S & R Angus, Weston, WI. Pictured are Jessica and Renee Radcliffe.

Dale Heagle, Seymour, WI, served two, three year terms on the Wisconsin Angus Board.

Annual Meeting Fundraisers Totals \$1,459 For The Three Angus Associations

Hosting these fundraisers at the annual meeting and dinner is always a fun event. Not only are there unique and useful items donated, participants add last minute rivalry to liven the event. In this year's silent auction, mint chocolate brownies donated by Kimberly Diefenbach, handmade pendants and chocolate cheesecake donated by Marda Angus, and BBQ hardwood pellets donated by Heags Angus, were hot items stirring last minute competitive bidding. The Silent Auction was full of great things, gift baskets, art work, hats and shirts, jewelry, homemade desserts, pro-sports items, breeding CIRD[®]s, and much more.

The Semen Auction and Raffle was made possible with the donations from ABS, Accelerated Genetics, Genex Coop, Mindemann Farms, Riley Bros, Select Sires, and Semex.

Dale Heagle, chairman of the semen raffle and auction, thought he would level the playing field having the Ambassadors draw the winning raffle tickets. Holding the pail of fully mixed tickets, the first pick by Mikayla Kind went to her dad Jeff. The second pick by Signe Kind went to...you guessed it, Jeff Kind. Breaking the trend, the third pick went to Dale Heagle. No, it wasn't rigged! The remaining winners were Jeff Berget, Andy Mindemann, Glenn Davis, and D Hanson.

The event raised \$1,459 for the associations, \$793 from the Silent Auction; \$325 from the Raffle; and \$775 from the Semen Auction.

Genetics Chiseled in Stone

World Beef Expo Is Scheduled For September 26 - 28

At the World Beef Expo annual meeting this past February, Ann McDonald and Doug Fish were re-elected to the Board for a second three year term.

Officers elected include Kevin Doherty, president; Cody Quam, vice president; Ann McDonald, treasurer; Nick Entringer, secretary; and Andy Horning, director of finance. Also sitting on the Board are Doug Fish, Jamie Marx, Bruce Thorson, Shane Miller, and ex-officio, Jeff Swenson and Brian Bolan.

World Beef Expo offers a variety of educational seminars, youth sweepstakes, elite cattle sale and trade show in addition to the supreme champion drive, a spectacular event showcasing the best of the best.

Cattle exhibitors from 14 states displayed, exhibited, or sold cattle at the 2013 World Beef Expo, including 462 Junior Show entries and 542 Open Show entries.

Judging this year's ROV Angus Show will be Kyle Conley, Missouri. Early show entry deadline is August 15, 2014, with entries accepted into September.

New sponsors in 2013 were ADM, BEEF Magazine, Feedstuffs, Bloomington Livestock Exchange, LongRange by Merial, The Hay Manager, Zoetis and Rural Buyer. Check out the WBE sponsor page on their website and support all of the generous businesses.

If you or someone you know is interested in becoming a sponsor of the World Beef Expo contact Ann McDonald at annmcdonald814@gmail.com. To promote your business in the trade show contact Bruce Thorson bcthors@wctc.net.

Following a successful 2013 sale, WBE will

again host the Multi-Breed and Club Calf Showcase Sale, including show heifers, bred females, prospect steers, and genetic packages. For complete information including last year's sale results go to www.larrymartinlivestock.com or contact them at 217-433-0242.

Volunteers make the World Beef Expo possible. If you are interested in volunteering, please contact Charlene Becker at 920-479-0658, email info@worldbeefexpo.com or Ken Hartzell, our Angus representative by [email](mailto:kmhartzell955@gmail.com)

kmhartzell955@gmail.com or 608-574-6150.

"Plans are already underway for 2014," said Charlene Becker, executive director of the World Beef Expo following their annual meeting in February. "We had a very successful show in 2013. The Board and staff are working on enhancements to make it even better."

Look to the WBE website, www.worldbeefexpo.com, for up to date information, judge announcements, sponsor and vendor flyers and sale contacts.

Stevens Point Area To Host Farm Technology Days

Slated for August 12-14 near Stevens Point, the Wisconsin Farm Technology Days is the largest agricultural show in Wisconsin and one of the largest in the nation. The three-day outdoor event showcases the latest improvements in production agriculture, including many practical applications of recent research findings and technological developments. Each year it is held in a different Wisconsin county - on a different host family farm.

Wisconsin Farm Technology Days provides visitors the opportunity to see and talk with more than 600 commercial and educational exhibitors in Tent City who are eager to visit with them about their machinery, equipment, facilities, products, and service needs. A wide variety of agricultural products and services used in today's dairy, livestock, and crop production systems in Wisconsin will be on display. In addition, specialists and county extension agents from the University of Wisconsin and state and federal agencies are on hand to answer questions. Educational exhibits,

special interest displays, and field machinery demonstrations provide something of interest for everyone.

Since the first show held in Waupaca County in 1954, the Board of Directors of the Wisconsin Farm Technology Days, Inc. - a tax-exempt, educational organization- has guided the annual show. The Board is comprised of representatives of state and federal agencies involved in agriculture and natural resources, the University of Wisconsin, and the agribusiness/industry and farming sectors.

The Wisconsin Angus Association, in conjunction with the American Angus Association and Wisconsin Cattlemen's Association, host an Angus booth in the beef tent. A great opportunity for a Wisconsin Angus family to display their cattle and promote their program, the Association is looking for volunteers to man the booth for the three day show. Contact Mel Niemann, 715-352-2087 or Elan-gus@gmail.com, if you would like to help for the show, a day, or a few hours.

Auxiliary Corner

Dear Friends

The 2014 Annual meeting of the Wisconsin Angus Auxiliary was held on March 8 in Warrens WI.

There were 14 members in attendance plus a few juniors. One high school scholarship application was received for this year and it was awarded to Mikayla Kind. There were no applicants for the high school boy scholarship or post secondary scholarship.

Allison Hawthorne has been selected to serve as the 2014 Miss Wisconsin Angus. The Miss Wisconsin Angus Scholarship Award of \$500 was presented to Suzanne Henning for her outstanding leadership role and participation in the WI Angus Ambassador program.

The food stand will be continued at the state sale in Black River Falls this year. Any donations of food or money are greatly appreciated for the food stand.

The dessert auctions will also be held prior to the sale on April 12.

Please bring deserts/cookies/bars/cakes to be auctioned to the highest bidder. Remember when donating for the dessert auction presentation helps the product sell. The proceeds of that auction go to fund scholarships.

Mary Kohl, President
Wisconsin Angus Auxiliary

Mary Kohl, Waterloo, and Leslie Mindemann, Sullivan, are serving as officers of the Wisconsin Angus Auxiliary.

Auxiliary Scholarship Chairman, Leslie Mindemann, Sullivan, presents the \$500 scholarship to retiring Miss Wisconsin Angus, Suzanna Henning, Clinton.

The Ambassador Program Continues On A High Note

The Ambassador program offered by the WI Angus Auxiliary encourages junior members to assist and support Auxiliary activities, Wisconsin Angus events, and attend national events. "This past year has given me opportunities to meet members and become a better agricultural advocate," said retiring Miss Wisconsin Angus, Suzanne Henning. "Working with the Auxiliary and other Ambassadors in and out of the show ring has given me a chance to get to know them." Henning is the recipient of a \$500 scholarship for continuing education in recognition of her service.

Named for 2014, Allison Hawthorne, daughter of Kim and Jim Hawthorne, Westby, will represent the Association and Angus breed as Miss Wisconsin Angus. Hawthorne is a junior at Westby Area High School, involved in community service projects, 4-H, FFA, accomplished in band, and basketball. As a member of NJAA she's attended LEAD 2012 and 2013, attended national shows, represented Wisconsin as a delegate, and is the newly elected president of the Wisconsin Junior Angus Assoc. In addition she was named 2014 Outstanding Junior.

The Ambassador program has a strong contingent with members Lexi Harper, Claire Hawthorne, Mikayla, Austin, Brendan, and Signe Kind, Alexis Timmel, Paige Gaffney and Suzanne Henning. They will be assisting the Auxiliary during the State Sale with the food stand, hospitality, and annual dessert auction. The group will assist at state shows and other livestock events. They offer assistance to other breeds in this capacity at Wisconsin State Fair and World Beef Expo. The Auxiliary offers the Ambassadors two NJAA LEAD grants annually of \$200 each. Henning and Hawthorne were recipients in 2013.

Mikayla Kind, Jefferson, was named the WI Angus Auxiliary Scholarship Winner. She is pictured with Mary Kohl, Waterloo, Auxiliary president.

Kind Receives \$800 Scholarship

Mikayla Kind, daughter of Deb and Jeff Kind, Jefferson, was named top scholarship winner by the Wisconsin Angus Auxiliary. She has been involved with Angus since 2005, showing Angus locally and around the state. The Auxiliary named her Junior Ambassador of the Year in 2005 and she has been working the ring handing out awards and ribbons ever since. Representing Angus and our Association, Kind is comfortable assisting in other breed shows as well as at State Fair and World Beef Expo. In 2009 she was named WSF Champion Showman in the 13 year-old bracket.

As president of both her FFA and 4-H chapters, Kind has taken on leadership roles in these agriculture associations mentoring youth to achieve their goals. She currently serves on the Jefferson County MAP committee assisting with weigh-ins, county fair barn and sale management. Her other interests are dance, HS golf, volunteering, and recently was a delegate to Girls Badger State.

Kind is looking at attending Carroll University or UW Platteville with a major in biology. Career plans include dentistry or marine biology as her path may take her.

A senior at Fort Atkinson High School, Kind will receive \$800 toward her continuing education and has the opportunity to compete for the \$13,000 in scholarships awarded by the American Angus Auxiliary.

Junior Angus Members serving as Ambassadors include Austin and Mikayla Kind, Jefferson; Suzanna Henning, Clinton; Signe Kind, Jefferson; Alexis Timmel, Sullivan; and Brendan Kind, Jefferson.

Junior Angus Activities

Leaders of the Wisconsin Junior Angus Association for the coming year include, seated, left to right, Sam Henderson, fundraising; Alexis Timmel, secretary; Allison Hawthorne, president; Hannah Tremainem; historian and vice fundraising. Standing, Paige Gaffney, director at large; Suzanne Henning, vice show chair; Claire Hawthorne, vice president and treasurer; Evan Henning, director at large; Mikayla Kind, membership; and Jac Henderson, publicity.

Renee Radcliffe, Weston, was named Advisor of the Year by the Junior Angus Association.

National Junior Angus Association Board Member, Jessica Radcliffe, Weston, was honored as a graduating member.

Angus Foundation Scholarships Applications Are Due May 1

Eligible Angus youth meeting the qualifications for the Angus Foundation's Undergraduate Scholarship Program are considered by the Angus Foundation's Scholarship Selection Committee. These general scholarships for Angus youth are made possible only by the generous financial support from Angus breeders, allied industry interests and friends of the Angus breed through the Angus Foundation Heifer Package, outright cash gifts and other fundraising activities.

Two \$5,000 scholarships are given in memory of former American Angus Association Executive Vice President Richard "Dick" Spader. In addition, a number of \$3,000 scholarships and \$1,000 scholarships are awarded.

As determined by the Angus Foundation, applicants may have also been eligible for other Angus-related named scholarships, permanently endowed and managed by the Angus Foundation. Past recipients of Angus Foundation general undergraduate scholarships can continue to apply for named scholarships unless specified otherwise by the Angus Foundation. Application deadline is May 1.

Thank You To All Who Purchased Pork Bundles

Greetings Everyone,

I am excited to be serving as your 2014 WJAA President and look forward to a great year for the members of the WI Junior Angus Association. This year is going to be exciting with all of the upcoming events and the enthusiasm of a great group of Board members.

This year our annual meeting was held in Tomah and I would like to take the time to recognize our Advisor of the Year, Renee Radcliffe, on behalf of the junior association, I would like to thank Renee for all of her help and commitment to the association. I would also like to recognize Kelli Retallick and Jessica Radcliffe for representing Wisconsin as part of the National Junior Angus Board. Kelli, who just retired, and Jessica, who has just been elected, have done a great job representing Wisconsin and the juniors across the U.S. I am also glad to introduce our new 2014 WI Junior Angus Assoc. Board of Directors: VP/Treasurer: Claire Hawthorne, Secretary: Alexis Timmel, Show Chair: Derek Horstmeyer, Vice Show Chair: Suzanne Henning, Fundraising: Sam Henderson, Membership: Mikayla Kind, Publicity: Jack Henderson, Historian/Vice Fundraising: Hannah Tremaine, Directors at Large: Paige Gaffney and Evan Henning. We have a great group of Directors for the 2014 year and we are excited to start planning for this year's many events.

This year we are happy to have many new members; I encourage you to get involved and have fun, whether it is meeting new people at our meetings or in the show ring. There are many different opportunities available to our Wisconsin Angus juniors, whether it is the WJAA LEAD Conference, the Ambassador Program, or the Showmanship clinic; these experiences and the people you meet will be remembered throughout your adult life. Also, we do have a Facebook page; look there for updates and meeting locations and times!

Our Wisconsin State Show will be held June 6-8, 2014 at the Jefferson County Fairgrounds in Jefferson, WI. It will be held in conjunction with the WLBA Spring Preview Show. I encourage everyone to attend the WI Junior Angus meeting Friday night; we will begin to coordinate our teams for contests and theme ideas for the National Junior Angus Show which will be held July 6-12, 2014, in Indianapolis, Indiana.

I look forward to a great year in the WJAA, and I encourage all the juniors to get involved and have fun! If you have any questions feel free to contact myself or any of the junior board members.

Sincerely,
Allison Hawthorne, President

VitaFerm® Concept•Aid™ with AMAFERM®

Maximizing The Reproductive Efficiency Of Our Donors

*by Kevin Glaubius, BioZyme Director of Nutrition and Technical Sales
and Susan Day, BioZyme Nutritionist*

Although calving season has barely started for many cattlemen, thoughts of next year's breeding decisions have already begun. In addition to natural service and A.I., you may be considering embryo transfer. Flushing those cows with superior phenotype and genetics can be an easy way to make rapid improvements in the quality of your cowherd. However, flushing and embryo transfer comes with an elevated cost, so it is important to maximize the reproductive efficiency of our donors.

Kevin Glaubius, BioZyme Director of Nutrition and Technical Sales, and Dr. Susan Day, BioZyme Nutritionist, have put together nutritional guidelines for donor cows to help you achieve maximum results.

The Situation

Typically most donor cows are in smaller pastures or runs. This smaller area means cows aren't walking several miles per day and this can lead to overweight cows. It is important to watch the energy levels of your rations as these donors typically have relatively low maintenance requirements.

The balance of several hormones naturally controls the reproductive cycle. Many of these hormones are fat-soluble, meaning their effectiveness is reduced if the donor is too fat. This can result in the reproductive cycle being altered or stopped altogether. Excessive fat also often means your practitioner will likely have a more difficult time synchronizing the cycle, leading to less than optimal results.

Nutritional Needs

With reduced energy requirements perhaps we should rethink our current feeding strategy? Many producers often provide these high value cows with a higher plane of nutrition than the rest of the herd.

However, in reality we only need to be meeting basic energy and protein requirements with limit fed rations.

To ensure that donors are still receiving all the vitamin and minerals necessary to improve reproductive health feed VitaFerm Concept-Aid 5S for at least 60 days prior to flushing to see the full effects. Concept-Aid contains the proper balance of macro and micro trace minerals and a unique balance of vitamins to maximize the reproductive potential in your donor cows. Concept-Aid also contains Amaferm, which improves digestive efficiency and as a result helps the animal's ability to deal with heat stress. The cooler we can keep cows the more likely we will see reproductive success. Concept-Aid is available in both a free choice loose mineral and a pellet that works well for mixing in with complete rations.

Four weeks prior to flushing increase the amount fed to donor cows by 10%. This will put the cows in a positive energy balance. By switching the cows from a maintenance diet to a higher plane of nutrition we help jump-start the reproductive cycle.

After Flushing

Hopefully now you have experienced the results you were expecting. If the flushing period is over it is now time to turn your donor cows back out. Increased exercise and weight loss is a good thing during this period. Producers again need to pay attention to donor rations during this time. If donors have access to high quality feed it may be important to limit feed or restrict the amount of access so they aren't gaining additional weight.

During this time we also recommend that you continue to provide Concept-Aid through the next flushing period or until your donor is bred.

Wisconsin Angus Breeders Excel At National Western

Paul Markhardt, Markhardt Land and Cattle LLC, Barneveld showed the reserve spring bull calf, MLC Gun Show 3003 in the National Western Angus Bull Show and Sale.

Kaley Bockhop, Belmont, WI consigned the Reserve Intermediate Champion Bull, HBL Indian 2740 in the show held in conjunction with the National Western Angus Bull Sale.

Hawthorne Receives NJAA Bronze and Silver Awards

Allison Hawthorne, Westby, Wis., has earned the National Junior Angus Association's (NJAA) Bronze and Silver awards, according to Jaelyn Upperman, junior activities director of the American Angus Association®, Saint Joseph. Allison is the 17-year-old daughter of Jim and Kim Hawthorne and attends Westby Area High School and is a member of the NJAA and the Wisconsin Junior Angus Association, where she has served as vice president, treasurer, publicity committee, and royalty.

In March she was elected president of the WJAA, selected Miss Wisconsin Angus and voted Junior of The Year.

She has participated in local, state, regional and national shows and showmanship contests. At the National Junior Angus Show (NJAS), Hawthorne participated in the photography and quiz bowl contests and the All-American Certified Angus Beef® Cook-Off. She also participated in the mentoring program in 2007 and 2008. In 2012 and 2013 she participated in the Leaders Engaged in Angus Development (LEAD) conferences.

Hawthorne has consigned cattle in the Minnesota Beef Expo Sale, World Beef Expo, Wisconsin State Angus Sale and the Thornberry Angus Online Sale.

Wisconsin Angus breeders, Riley Bros., Darlington and Gaffney Family Cattle, Barneveld, set the pace in the National Western Angus Foundation Female Sale, Denver, when their consignment, the donor female, RB Lady Standard 305-890 sold for \$170,000. Herbster Angus Farms, Fall City, Neb., are the buyers.

An Angus icon, RB Lady Standard 305-890 is a 2008 daughter of LLC New Standard and is out of BA Lady 6807 305. She produced the Midland Bull Test champion and her first seven daughters at public auction averaged \$28,000.

RB Lady Standard 305-890 is the dam of RB American Gal 890-250 that was the high selling open heifer in the 2013 Foundation Sale, going to Widholm Family Cattle, Clifton, IL. A son, RB American Made 197, stands at stud at ABS.

Riley Bros. also consigned the second high selling open heifer, RB Lady Upshot 840-376, a daughter of EXAR Upshot 0562B that sold to Randy Reese, Hancock, MN, for \$16,500.

RB Lady Standard 305-890, the \$170,000 high selling lot in the National Western Angus Foundation Female Sale consigned by Riley Bros., Darlington, WI and Gaffney Family Cattle, Barneveld, WI. Herbster Angus Farms, Fall City, Neb., are the buyers.

In the National Western Angus Bull Sale, Riley Bros. Farms consigned RB GFC Gravity 3431. Sykes Angus Farm, Williamsport, Ohio, purchased the March 2013 son of EXAR Upshot 0562B for \$14,250.

Juniors Support Angus Foundation Golf Tournament

The Wisconsin Junior Angus Association will be sponsoring a hole at the Angus Foundation Golf Tournament held in conjunction with the 2014 National Junior Angus Show (NJAS).

The 14th golf tournament will take place Tuesday, July 8, at the Deer Creek Golf Club in Clayton, Ind.

Angus Foundation President Milford Jenkins says the organization aims to raise \$25,000 from the tournament, which benefits the Angus Foundation's education, youth and research programs.

"We invite Angus golf enthusiasts to join us for this enjoyable fundraising activity as a player or sponsor," Jenkins says. "With your help, we will raise the remaining balance needed to achieve our goal, as Express Ranches has given us a good start."

The 2014 event sponsor is Express Ranches

of Yukon, Okla. Bob Funk, owner, purchased the event sponsorship for \$4,000 during the 2014 Angus Night on the Mountain fundraiser at Spruce Mountain Ranch, Larkspur, Colo., this past January.

Eight additional sponsorship levels for individuals, farms and ranches are available. Each sponsorship level contains various promotional opportunities, including recognition in the tournament program, post-event news release, the Angus Journal, and the Angus Foundation's website, annual report and newsletter. Available sponsorships are luncheon, beverage/player cart, club house, hole-in-one, gift, tee box, hole and flag. Sponsorship deadline is May 30.

Interested players may register until June 23. More information about the annual golf tournament, as well as the event schedule, can be found at www.angusfoundation.org.

Angus Bulls Set The Pace At State's Test Stations

The 53 Angus bulls on test at the St. Croix Valley Bull Test, River Falls, have a 3.50 pound average daily gain and a 3.14 pound weight per day of age at 112 days on test.

The top indexing bulls will sell Saturday, April 26, at the University of Wisconsin-River Falls.

Riek's Black Angus has the consignment with the highest average daily gain, 4.75 for a 135.67 ratio. Tag 16-2, he is a February 21 son of S Chisum 6175.

The second top gaining Angus bull, posting a 4.31 average daily gain for a 123.18 ratio, is the consignment of Melvin and Sharon Neimann, Emerald Lane Angus. Tag 8-1, he is a January 31 son of Poss Total Impact 745.

A B/R Future Direction 4268 son has a 3.61 weight per day of age for a 114.84 ratio. He is a February 20 bull, Tag 2-1, consigned by Kody Stork, KLS Farm.

As the Wisconsin Beef Improvement Association Bull Test comes to a close, Angus bulls set the pace. The 101 bulls have a 4.12 average daily gain and 3.39 weight per day of age.

A bull from Hermann Wolters, Wolters Farm, Inc., consignment, Cuba City, WI, has the high index of 119.9. He, Bull 50, posted a 5.10 ADG for a 123.8 ADG ratio. This February 17 bull is sired by WF Majestic. Bull 50 from the Walters group has a 115.6 index with a 4.90 ADG and 3.78 WDA. He is a son of SAV Angus Valley 1867.

Bull, Tag 14, consigned by Brian Nodolf, Biddick, Inc., Livingston, WI, has a 3.95 Weight Per Day of Age for a 116.5 index. He is sired by Poss Total Impact 745.

The top indexing bulls will sell Saturday, April 5 at the University of Wisconsin-Platteville Farm.
