

Wisconsin Angus News

A PUBLICATION OF THE WISCONSIN ANGUS ASSOCIATION

PRESIDENT'S MESSAGE

Hello,

As President of the Wisconsin Angus Association, I'm incredibly proud of our state's strong foundation built by passionate breeders, stewards, and young leaders who believe in Angus' promise. This year, our Recognition Program celebrated excellence at every level from heifer and bull champions to cow/calf pairs underscoring the depth and quality of Wisconsin genetics. With events like the Spring Preview Show in Jefferson and the Southwestern Classic, continuing through to the World Beef Expo, our community remains actively engaged and growing.

Looking ahead, our future hinges on innovation and education. As more Wisconsin producers gain insights at events like the national Beef Leaders Institute, they bring back advanced knowledge of value chains, genetics, and consumer demands. That kind of leadership is vital as we elevate the entire Angus industry.

Our goals for the coming years are clear: promote cutting-edge genetic tools, elevate sustainability and animal welfare, and foster youth development through scholarships and junior programs. The Auxiliary continues to empower juniors and women, reinforcing education and engagement throughout their Angus journey. By aligning our mission with the broader American Angus Association, we ensure Wisconsin plays a pivotal role in guiding breed advancements embraced genomics, AI-driven selection, and traceability to meet tomorrow's market demands.

Together with a unified membership, forward-thinking youth and seasoned breeders we position Wisconsin's Angus community for growth. Our cattle won't just raise the bar locally; they'll stand at the forefront of the national Angus movement. The future is exciting and it starts right here in Wisconsin.

Sincerely,
Cole Chapman
President, Wisconsin Angus Association

ANGUS CONVENTION HEADS TO KANSAS CITY

The annual Angus Convention is an event for all cattle producers. Connect with ranchers and industry leaders from across the country. Sessions will spur conversations about what is driving change in the industry and explore ways to innovate production practices and drive profitability for you and future generations. Head to: angus.org/convention for more details.

BEEF LEADER INSTITUTE ATTENDEE BAILEY QUAM REPRESENTS WISCONSIN

A select group of breeders attended the 2025 Beef Leaders Institute, spending a week learning about the beef value chain, from pasture to plate. The program, hosted by the American Angus Association, Certified Angus Beef, and the Angus Foundation, helps develop young cattlemen and women as industry leaders. Among the 2025 BLI attendees was Bailey Quam of Lodi, WI.

The group set out on a cross-country trek across six states, making stops along the way at Tyson Fresh Meats beef packing plant in Dakota City, Nebraska and Sioux City, Iowa; Weborg Feeding Co. LLC in Pender, Nebraska; Buckhead Meat and Seafood in Northwood, Ohio near Toledo; STgenetics in Tiffin, Ohio; and a Meijer retail store in Wooster, Ohio. Their final destination, the Certified Angus Beef headquarters – also located in Wooster, Ohio – put its final touches on the group's snapshot of the beef industry.

2K CATTLE ENTERPRISES RECEIVES BQA AWARD

2K Cattle Enterprises, owned and run by Kevin, Keri, & Kelsi Retallick received the Beef Quality Assurance Award. The Retallicks are not just breeders – they're champions of quality, leadership, and Wisconsin cattle heritage. Tucked into the rolling hills of Grant County, this fourth-generation family operation has set the standard for Beef Quality Assurance – long before their practices earned them official recognition. Year after year, they've raised nationally celebrated Angus cattle, hosted educational clinics, and welcomed producers to learn from their farm firsthand. Their annual, performance-tested bull and female sale draws buyers seeking superior genetics and animal welfare standards. Their commitment to science-based husbandry, public engagement, and unwavering quality represents exactly what BQA stands for, raising trust in Wisconsin beef from pasture to plate.

LEIBFRIED NAMED CHAIRMAN OF THE NATIONAL JUNIOR ANGUS BOARD OF DIRECTORS

Ava Liedfried was recently named chairman of the National Junior Angus Association Board of Directors during the recent National Junior Angus Show held in Tulsa, OK this summer.

Ava Leibfried is a third-generation Angus breeder from Platteville, Wisconsin. She is the daughter of Nick and Jessica Leibfried. She has been an active member of the National Junior Angus Association and the Wisconsin Junior Angus Association since 2017. Ava is currently a sophomore studying Agricultural Business at Iowa State University. Ava's long-term aspirations include working in commodities trading or analysis, where she can contribute to the growth and stability of agricultural markets while also managing her family's Angus operation.

DELEGATES SELECTED TO THE 142ND CONVENTION OF DELEGATES

Delegates and alternates have been elected to represent their states at the American Angus Association's 142nd Convention of Delegates, set for Nov. 2, 2025, in Kansas City, Mo. The election followed the official nomination and voting process outlined in the Breeder's Reference Guide, with 2,372 ballots received and 2,315 deemed eligible. A total of 293 delegates and 244 alternates were elected from 43 states and Canada. Ballots were submitted both online and by mail, with electronic votes accounting for 58% of the total—marking a 15.5% increase from 2024. All results were verified through a multi-step audit process and overseen by independent election observers. Wisconsin delegates and alternates are listed below; all members are welcome to attend the annual business meeting, and registration is now open at angusconvention.com.

Delegate

*Cody Quam, Lodi
Kelsi C Retallick, Glen Haven
Annie Paige Elizabeth Gaffney, Barneveld
Brian McCulloh, Viroqua
Jared Radcliffe, Weston
Kurt Hallstrand, Prentice

Alternate (in order of rank)

Jake Baumgartner, Genoa
Kulby, Madison
Brad Johnson, Shawano
Courtney Jentz, Janesville
Chad M Stevenson, Endeavor

KIND ANGUS FARMS OF JEFFERSON FEATURED IN LOCAL NEWS

KIND Angus Farms, based in Jefferson, Wis., was recently featured in local news as the family marks 25 years in Angus cattle production. Founded by Deb Kind in 2000, the farm began when she and her then-husband purchased 100 acres off Kiesling Road. With no prior farming background, Kind quickly learned the ropes while continuing her work as a registered nurse, a role she still holds today, along with serving as a town supervisor. Today, Kind operates the farm with help from her four adult children, raising registered Angus cattle for both butchering and showing. The family remains active in the local agricultural community, including exhibiting cattle at the Jefferson County Fair.

In recent years, the farm has faced storm damage to buildings, and is currently working with a local builder to make repairs and upgrades. Plans for 2025 include installing a freezer on-site and pursuing state licensing to sell beef in smaller quantities. The farm's direct beef customer base continues to grow, a reflection of the Kind family's ongoing presence in the Jefferson community. Read the full article at: dailyunion.com/news/fort_atkinson/family-farm-business-kind-angus-farms-keeps-focus-on-local-beef-local-buyers/

AM I FULL OF CRAP?

Calf scours are not inevitable. A strong prevention program is non-negotiable. Dependable scour prevention is essential for calf welfare, employee morale and business profitability. The immune system's response to vaccination is variable and unpredictable. That's why giving preformed antibodies instead of relying on a vaccine to stimulate antibody production is so important. I'm all for removing uncertainties. So yes, I stand by this product. (And no, I'm not.)
